

THE NEW DOBLÒ

**FIAT**  
PROFESSIONAL

# SMART SOLUTIONS FOR BIG CHALLENGES.

## AN EFFICIENT HELP

For everyday professional tasks, an effective coworker is required. Like the new Fiat Professional Doblò.  
From now on, great things can be done together with a great partner.

FIAT PROFESSIONAL NEW E-DOBLÒ

# ELECTRIC WITHOUT COMPROMISE.

ZERO CO<sub>2</sub> EMISSIONS

The new E-Doblò, in addition to its diesel and petrol versions, completes the Fiat Professional electric range: its 100 kW powerful electric motor and the 50 kw/h battery can guarantee efficient, smooth and responsive driving for up to 280 km\* with a maximum speed of 130 km/h. Up to 80% battery recharge in 30 minutes with FAST CHARGE. Designed for the best performance that the vehicle can provide for your day-to-day work.

\*WLTP range

## A NEW CONCEPT OF MOBILITY

### DRIVING MODES

Optimize vehicle performance according to your needs. In the new E-Doblò you have 3 ways to manage vehicle performance and consumption: normal, eco and power.

### MAGIC PLUG

The Magic Plug is an optional dedicated to outfitted vehicles and offers considerable advantages. It consists of an electrical socket inside the vehicle that allows you to adapt to specific missions, such as connecting a refrigerator, a mobile workshop or any other 230v or 12v electrical tool.

### FAST CHARGING (DC) 100kW eProWallbox (AC) 7,4 kW – eProWallbox (AC) 22 kW

The new Fiat Professional E-Doblò has a charging system that includes standard solutions such as the cable supplied or, on request, the Wallbox for fast charging.

### ELECTRICAL ZERO COMPROMISE

The 50 kWh Battery and 100kW power can ensure an autonomy up to 280 km in WLTP range and a top speed of 130 km/h with zero CO<sub>2</sub> emissions. Its powerful Quick Charge system with 100 kW will charge 80% of your battery in just 30 minutes.

FIAT PROFESSIONAL NEW DOBLÒ

# DESIGN IN ITS BEST SHAPE.

REFINED LINES

All the space you need for your business is available in the new Doblò, with an eye also to the elegant lines and practical design of the exterior.

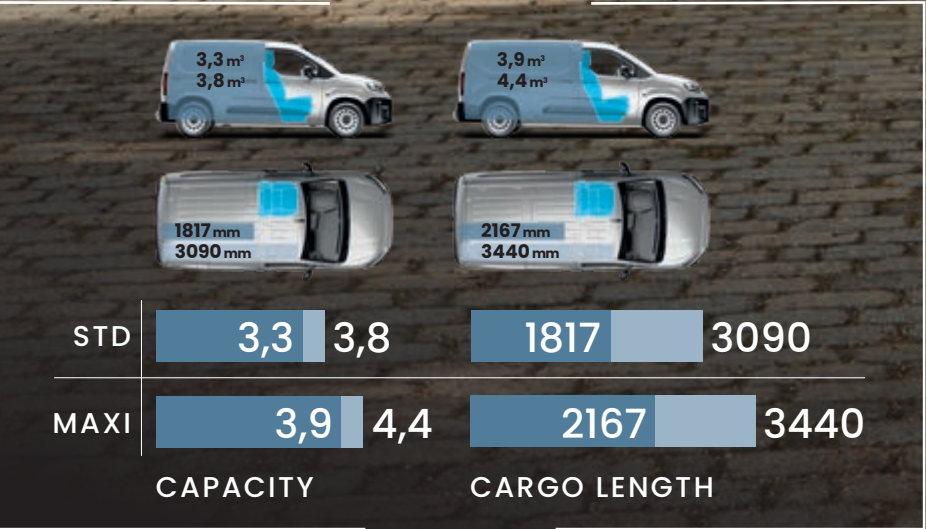

# A STAR PLAYER FOR THE CARRYING CAPACITY.

## MAGIC CARGO

Need more load length? The Magic Cargo feature increases the versatility of the vehicle's interior, allowing to increase the length and working volume: higher cargo capacity, increased in +0,5 m³ and a working length up to 3,44 meters.

# MORE VERSATILITY, MORE POSSIBILITIES.

Thanks to the flexible three seats bench, you can configure the cabin in many different ways, getting a greater volume of cargo in the passenger compartment, more stability of bulky and secure fragile packages, while still maintaining two seats.

FIAT PROFESSIONAL NEW DOBLÒ

# A PAYLOAD FOR ALL TASTES.

LIGHTEN YOUR WORK

With a payload up to 1000 kg and a cargo volume up to 4,4 m<sup>3</sup> the new Doblo is the suitable vehicle for every loading needs.

FIAT PROFESSIONAL NEW DOBLÒ

# COMFORT MARRIED TO YOUR NEEDS.

## MOBILE OFFICE

The entire inside space was tailored to your needs. Versatile and modular, the new Doblò offers different space configurations: thanks to a smart and easy to organize interior, quickly create a comfortable office seating while transporting the most varied objects.

FIAT PROFESSIONAL NEW DOBLÒ

# YOUR JOB IS IN SAFE HANDS.

## MAGIC MIRROR

The Magic Mirror is an innovative feature that displays the images captured by 2 cameras on the 5" digital rearview mirror, providing 3 different views to perform any maneuver in complete safety.

Furthermore a full range of active and passive ADAS (Advance Driving Assistance Systems) will provide a safe trip, assisting while driving and maneuvering.

FIAT PROFESSIONAL NEW DOBLÒ

# CONNECTED TO ANY REQUEST.

TECHNOLOGICALLY  
ADVANCED

The new Doblò features new connectivity and infotainment technologies to face all the daily challenges of work.

## 8" TOUCHSCREEN COLOR DISPLAY

8" touch radio with mirror screen, navigation and USB.

## APPLE CARPLAY

Broadcast everything you need directly from your iPhone to the radio display.

## ANDROID AUTO™

Access your content or use Google Maps and Google Play Music easily.

FIAT PROFESSIONAL NEW DOBLÒ

# A WINNING TEAM IN EVERY FIELD.

THREE VERSIONS,  
ONE BUSINESS

The new Fiat Professional Doblò is available in 3 versions: Combi, with fixed bulkhead; Crew Cab, with a unique modularity system between seat and cargo space thanks to a sliding bulkhead; Panel Van, in two lengths, Standard and Maxi.

COMBI N1  
Standard

All the room you need for the whole team, equipped with added features for comfort and connectivity.

CREW CAB  
Maxi

Get the flexibility to choose between more space for people or cargo and do what you want.

PANEL VAN  
Standard and Maxi

Get your job done without ever compromising.
