Due to the volatile nature of the cost of raw material the prices quoted are based on the market prices at the time of producing this quotation. These prices may be subject to change, we reserve the right to requote and will confirm any price fluctuations no later than 30 days prior to commencing the work.

Exchange rate movements:

The pricing in this quotation is based on the current £/€ exchange rate. In the event of an adverse movement in the £/€ exchange rate (> 3 per cent) between quotation issue and order placement, we may be unable to accept an order at the price detailed herein. In the event that we are unable to accept the order, you will be notified within seven days and a new quotation will be issued.

Taxes & Import duties:

The pricing in this quotation is subject to taxes, import duties, levies and/or government charges in effect on the date of chassis build. Any changes to these charges are outside the control of Roco Truck Bodies and Motus Vehicle Solutions and will be added to the contracted price as appropriate.
